Bond Election On Aug. 31 To Decide Pahokee Hospital

The special election on the bond issue for financing the proposed new Pahokee City Hospital will be conducted at the city hall on Tuesday, Aug. 31, according to a report by Jess M. Elliott at the Tuesday luncheon meeting of the Pahokee Lions Club. Mr. Elliott represents the Lions on the hospital committee.

Provisions in the new draft bill passed recently by Congress and signed by the president were explained to the Lions in a talk by Capt. William F. Payne, Jr., recruiting officer for Palm Beach, St. Lucie, Martin and Hendry counties.

Frank Rozelle gave a report on the Independence Day celebration program conducted by the Clewiston Lions Club on Monday.

Vacation Church School In Pahokee

A vacation church school will be conducted at the Pahokee First Methodist Church July 12-23 under the direction of Rev. Carson T. Howes, principal.

Classroom sessions will be held in the afternoons starting at 2:30 o'clock on Mondays, Wednesdays and Fridays. Special motion pictures will be shown, an outdoor recreation program is being arranged and at least one outdoor lakeside service, to be known as "A Galilean Service," will be held while the school is in progress, according to Rev. Howes.

Those who will serve as department superintendents of the school include Mrs. Kenneth Mock, beginners; Mrs. Arch Blakey, primaries; Miss Helen Howes, Juniors, and Donald Padgett, intermediates.

Assistant Named For Health Director

County Commissioners Tuesday approved a request by Dr. Burton F. Austin, director of the county health department, for the appointment of an additional physician as his assistant.

Dr. Charles Chaplin, recommended by the State merit system, was the only candidate for the post, according to Commission Chairman C. Y. Byrd, who said he had been advised by Dr. Austin that no Palm Beach County physician would apply or accept the post.

Director Austin is a brother-in-law of South Bay's Mayor, W. M. Jeffries.

R. J. Simonson, the cucumber and lima bean king, has gone in for another new crop in the Glades—soy beans. He planted one bushel and reported the other day that he harvested 30 bushels from this one planting. He expects to experiment and find out if the soy beans will make a summer crop.

Mr. and Mrs. Julian Groover and children of West Palm Beach were the weekend visitors of Mr. and Mrs. J. P. Parker in Canal Point.

Dulany Is Renamed Co-Op Salesmanager

Directors of the Lake Okechobee Farmers Cooperative with offices in Canal Point announced yesterday that they had employed John A. Dulany as their salesmanager for another year. The deal was closed on Wednesday. Mr. Dulany was for many years manager of the Pahokee State Farmers Market and during one or two summer seasons manager of a cooperative in Mountain City, Tenn. The past season was his first as manager of the local coop. His services were satisfactory and his return for another year was voted unanimously by the directorate of the coop.

Funeral Held For J. B. Harrington

Funeral services for Joseph B. Harrington, registrars at Emory-at-Valdosta, who died just after suffering a heart attack Wednesday, of last week, were held yesterday afternoon at the First Methodist Church at 5 o'clock.

Rev. J. W. Hitch, retired Methodist pastor living in Valdosta, and Rev. J. Frederick Wilson, of Emory-at-Valdosta, conducted the services.

Two songs, My Jesus I Love Thee and Jesus, Savior, Pilot Me, were sung by a male quartet from the Emory Glee Club, composed of A. J. Morris, John Dingley, Carlton Philpaw, and James Dasher, with Mrs. Henry Hicks at the organ.

Palbearers were: Henry Beck, Howard Bridges, Dr. J. A. Durrenberger, Dr. F. G. Eldridge, Dr. B. G. Owens, L. J. King, George Shelton, Jr., and Eddie Ant.

Interment followed in the family plot in Sunset Hill.

A large number of friends made by Mr. Harrington during his years of educational and community service in Valdosta gathered to pay tribute to him with their presence and with one of the most beautiful of floral offerings. Members of the First Methodist Church Sunday School class which he taught a number of years attended in a body, as did the students and faculty of Emory-at-Valdosta, and a representative group from Emory University in Atlanta.

Mr. Harrington is survived by his widow, the former Miss Nell Rogers, of Okechobee, whom he married in 1932, and three sons, Joseph, age 11, Jimmy, age 8, and Johnny, age 1-2. There are two brothers, A. Roswell Harrington and Gaudin Harrington of Canal Point, Fla., and four sisters, Mrs. Ray Lawson and Mrs. Clayton McRae, Morven, Mrs. J. B. Riser, Quitman, and Mrs. Arnold Scruggs, Canal Point.—From the Valdosta Daily Times.

COOPERATIVE IN THE OFFING FOR CATTLEMEN OF GLADES

A committee appointed a few weeks ago to investigate possible plans for sale of cattle in this area will report to the cattlemen's association at the next meeting that a cooperative is the feasible plan. A thorough plan will be worked out by the committee in the near future.

Bank Of Pahokee Statement Shows Condition Healthy

Despite a hectic display of the elements throughout the past farming season, the Bank of Pahokee reflects a healthy condition in its statement called for by the state comptroller showing the condition of the institution on June 30, 1948. Unseasonable rains last fall and a couple of hurricanes set the farming season back on its heels and it was after the first of the year before the farmers got squared away to make any money crops.

In the face of these heretofore recorded disasters the Bank of Pahokee, which always reflects the financial condition of the community, under the direct supervision of President Harry M. McIntosh, came through with flying colors and another excellent season's record. The statement, as published today shows deposits higher than a year ago on June 30. The surplus is higher and undivided profits and reserve also are higher than a year ago.

Deposits this year are \$3,901,508.91 against a total deposit of \$3,779,388.60 in 1947 on June 30. Considering the setback the community suffered during the past 12 months this showing is excellent on the part of those who make up the patrons of the county's oldest bank.

A Few Pennies To Be Assessed On All Homesteads

Homestead exempt properties as well as non-exempt homes in the area will be affected by one tax levy introduced at the Tuesday meeting of the County Commission, when levies for the year were reported by several special districts.

The tax was reported by the Florida Inland Navigation District, which has appropriated one-tenth of a mill on all properties in the district for the coming year. County Commissioner Paul Rardin said the cost will amount to roughly 50 cents on a \$5,000 exempt valuation.

A jump of \$12,545,317 in the assessed valuation of county property in 1948 over the total assessment last year was reported to the County Commission Tuesday, sitting as a tax equalization board. The report was made by County Assessor James M. Owens, who said only \$5,649,577 of the increase is taxable.

Homestead exemptions—which involved 1,893 more units this year than last, reduced the total assessed valuation by \$6,895,740. The assessment schedule placed before the Commission by Owens showed that the total value of real estate and tangible personal property this year reached \$131,061,973, as against \$125,412,396 in 1947.

Mr. and Mrs. H. H. Grimley of Tampa are spending the week as guests of Mr. and Mrs. J. H. Bordeaux in Canal Point.

Young Shirley Gives Boys' State Report

Leland Shirley, who attended the recent session of Boys' State at Tallahassee under the sponsorship of Fred and Percy Mansfield Post 90, gave a report on the activities at Boys' State at a meeting of Post 90 in the Woman's clubhouse Monday night. Leland was elected a commissioner in the mock government set up by Boys' State.

Elmer Jones Will Run Hdwe. Store

The Bacon-Jones Hardware Store in Pahokee, formerly the Pahokee Supply Company, will be known in the future as Jones Hardware Company, according to a joint announcement made by Messrs. Bacon and Jones this week.

Orin Bacon has sold his interest in the store to Elmer Jones who will operate it in the future. Mr. Bacon will devote his time to the cattle business.

Messrs. Bacon and Jones operated the store for a little more than a year and won a wide circle of friends for the institution. The new owner of the store came to Pahokee in 1935 as a meat cutter for the Bailey Grocery and Market. Soon thereafter he went into business for himself in a market which he conducted successfully for a number of years until he sold out to Jack Spencer. Following two years at farming Mr. Jones entered the hardware business.

Last Rites Held For W. J. Nelson

Funeral services for William J. Nelson, 63, of Canal Point, were held at the graveside at the Port Mayaca Cemetery on Monday at 11 a. m. with Rev. C. A. Moberg, pastor of the Pahokee First Baptist Church, officiating.

Mr. Nelson died at the Everglades Memorial Hospital in Pahokee Saturday following a brief illness. He had been a resident of Canal Point for six years, coming here from Pennsylvania.

Surviving is his wife, Mrs. Letha Nelson, of Canal Point.

Berry's Funeral Home of Pahokee was in charge of arrangements.

Mr. and Mrs. Clyde Griffin plan to return to their home in Rome, Ga., after two weeks visit with Mr. Griffin's parents, Mr. and Mrs. J. S. Chastain in Pahokee. They will be accompanied home by Miss Dorothy Chastain who will visit them for a while.

Members of the Western Palm Beach County Public Hospital Board have deemed it necessary to raise the millage in the district from 5 mills last year to 8.25 mills for the coming year.

The board reported to the county commission that valuation in the district stands at \$11,419,000.00 and that the 8.25 millage will raise \$94,208.75 with which to operate the Pahokee hospital and the Belle Glade hospital.

It will be remembered that the millage for operation of the district year before last was 1.75 mills. This, however, was before the federal government turned the Belle Glade hospital over to the district for operation.

Members of the hospital board who are serving at the pleasure of the governor are: W. P. Risk, chairman, Belle Glade; other Belle Glade members are H. D. Beck, G. E. Townsend, George Royal, C. E. Bacon, C. A. Batchelor, J. V. Thomas, M. D. Geiger of Canal Point and E. R. Mackey of Lake Harbor make up the remainder of the nine-man board.

Members of the board said yesterday that the next meeting of the board will be held at the Belle Glade hospital on Monday, July 19.

Girl Scouts Off To Camp Near Ocala

Another group of girl scouts of Pahokee Troop One left early Wednesday morning for 10 days at the Deer Lake Girl Scout Summer Camp near Ocala. Included in the group were Shirley Whidden, Myrna Rae Herndon, Phoebe Anna Ramey, Tommie Lowe, Tann Thompson, Marian Enecks and Donna Gail Jensen.

The scouts were taken to the camp in a station wagon by Mrs. Becky Stirling and Mrs. Bertha L. Stirling who brought back another group of scouts from Troop One who had completed their 10 days at camp.

Tiny Woman Flyer After Speed Record

TAMPA—A 100-pound girl, who has to sit on three cushions and a parachute pack to reach the plane's controls, is going to try to break the world's air speed record for women. Tiny Betty Skelton of Tampa will try to break this record on July 11, in a reconverted P-51 Mustang. Jacqueline Cochran now holds the record.

Miss Skelton holds the international women's aerobatic championship and says she will break the speed record with miles to spare. She has been flying since she was 12. She is the youngest and smallest of the few women stunt pilots in the country and has hit every important air meet in the last two years.

Scott Marion Loftin

An Editorial

(By Edgar Pennington Young)

One of the very great men of Florida is Senator Scott M. Loftin of Jacksonville, Trustee for the Florida East Coast Railway and its real Chief Executive.

During my first interview with Senator Loftin a few years ago I felt the urge to broadcast the simplicity of his sterling character and the greatness of his intellect.

That urge was again in evidence during a recent interview.

Senator Loftin was born in Montgomery, Alabama, on September 14, 1878. At the age of 9 his family moved to Florida. His legal training was obtained at Washington and Lee University which Institution awarded him the honorary degree of Doctor of Laws.

At the age of 19 the Senator was admitted to the Bar and engaged in the practice of Law in Pensacola. He was very successful from the beginning.

In 1902 the Senator was elected to the Florida House of Representatives and, in 1904, was appointed County Prosecuting Attorney by the Governor which office, by successive Election, he filled for 12 years.

In 1907 Mr. Loftin became affiliated with the Flagler Interests and moved to Jacksonville. On the death of William A. Blout, President of the American Bar Association, the Senator became General Counsel for the Flagler Interests, a great honor.

The Flagler Interests include the Florida East Coast Railway; Florida East Coast Hotel Company; Model Land Company, and associated Companies; Florida East Coast Car Ferry Company; West Palm Beach Water Company; The St. Augustine Evening Record; and the Flagler Trust Company.

Senator Loftin is Senior Member of the famous Law Firm of Loftin, Stokes and Calkins, which firm enjoys a large clientele of diversified Interests. He is also President of the St. Augustine Evening Record; a Director of The Florida Times-Union; Vice President of the Jacksonville Terminal Company; a Director of the Railway Express Agency, and a Director of the Atlantic National Bank of Jacksonville.

This great man is beloved by all who know him. Senator Loftin belongs to a generation which is fast becoming extinct, that old school of old fashioned integrity where men would sacrifice rather than disregard the dictates of their own conscience.

Without such men as Scott M. Loftin Florida will not prosper.

Cinematic Chatter

By Malcolm Millar

Well, folks, you're in for another great laughing week end if you make it to the Prince Theatre this Sunday-Monday, when "The Bride Goes Wild" is screened with Van Johnson, June Allyson and Butch Jenkins in the starring roles, and Hume Cronyn Una Merkel and many other well known feature players lending the best kind of laughing support.

The story is really funny, going along rapidly until it approaches a panic in laughter and thrills. The cast couldn't have been better

picked and the direction is faultless.

I know you will agree with me "The Bride Goes Wild" is one of the funniest domestic comedies we have screened here in months. You will further agree this story never lets you down on excitement and laughs.

Take a tip from me and don't miss "The Bride Goes Wild." See you at the movies—Mal.

Fuller Warren, Democratic nominee for Governor, will visit California shortly to make a personal study of the citrus situation and determine what might be done to solve the difficulties of Florida growers.

Will's Hospitality Isn't "Cracked"!

Ever since January, Will Dudley planned to give his living room that "new look"—planned to carefully refinish the woodwork and replaster the walls.

Every time Will got out the putty to start filling in the cracks, a neighbor stopped by to pass the time of day—and first thing you knew, there was a group of us helping Will do the job up right. After Will called a halt to the evening's work, we'd sit around the fire enjoying a friendly argument and a sparkling glass of mellow beer.

So Will's living room doesn't look like it did a year ago—but it's by far the most "livable" living room I know: A place you can always drop in for good talk, good beer, and a warm welcome.

From where I sit, so long as Will puts that atmosphere of hospitality and good fellowship ahead of everything else, we'll all be happy to help Will change the looks of his living room any time he wants.

The cost of the average vacation has jumped from 20 to 100 per cent over comparable prices in 1940, it was revealed in a recent survey conducted by the National Life Insurance Company.

The cause of higher quality fruit received a big boost this week when the powerful United Growers and Shippers organization went on record as backing the "taste test" for Florida citrus fruit.

Florida will spend \$821,636 in 1948 to attract tourists and new industries, according to a recent survey conducted by the Curtis Publishing Company.

Give a Fellow Time to Answer

A telephone ring is exciting! You never know what's waiting at the other end. That's why it's important to answer calls promptly. It's also important when you're doing the calling, to allow a minute for your party to reach the telephone. It's two-way telephone consideration that means better service all around.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road —*facing traffic.*

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways —many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake — on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

CHURCH OF CHRIST SCIENTIST

"SACRAMENT" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, July 11.

The Golden Text is: "The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him" (John 4:23).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Feed the flock of God which is among you, taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind; Neither as being lords over God's heritage, but being examples to the flock" (1 Peter 5:2, 3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Our heavenly Father, divine Love, demands that all men should follow the example of our Master; and his apostles and not merely worship his personality. It is said that the phrase 'divine service' has come so generally to mean public worship instead of daily deeds" (40:25).

Sartoris - O'Hare

Miss Nicky Sartoris, former resident of Canal Point, and Kenneth O'Hare of Jacksonville were married in Jacksonville on Saturday, June 26, according to word received here by friends of the bride.

Mrs. O'Hare, daughter of Dr. G. B. Sartoris of Washington, D. C., attended Pahokee High School while her father was head of the U. S. cane breeding station at Canal Point. She is a graduate of Florida State University, Tallahassee, and for the past year taught school in Jacksonville.

In the fall the couple plan to make their home in Gainesville while Mr. O'Hare completes his senior year at the University of Florida.

Miss Nell Latham Becomes Bride Of Audie F. Hooks, Jr.

Miss Nell Latham, daughter of Mr. and Mrs. James Daniel Latham of Canal Point, became the bride of Audie Flanders Hooks, Jr., of Pahokee, son of Mr. and Mrs. Audie Flanders Hooks, Sr., of Miami, at a beautiful candlelight ceremony held at the Canal Point Baptist Church on Friday, July 2, at 5:30 p. m.

Vows for the double ring ceremony were read by Rev. Carl A. Moberg, pastor of the Pahokee First Baptist Church, as the couple stood before the altar which was lighted with white cathedral tapers in candelabra and decorated with floor baskets of white gladioli, tuberoses and fern against a background of palms.

A program of pre-nuptial music was presented by Miss Joan McCarty, vocal soloist, who sang "The Lord's Prayer," and Mrs. David Blech, pianist, who also played the traditional wedding marches.

The bride, given in marriage by her father, wore a lovely gown of white slipper satin with fingertip illusion veil. The fitted bodice had a marquessette yoke bertha-edged with chantilly lace. The skirt, caught-up with white satin bows, was also trimmed with chantilly lace which extended around the rim of the train. She carried a bouquet of small white flowers centered with a white orchid.

Miss Betty Lou Pickett and Miss Betty Woodyard, bridesmaids, wore identical dresses of slipper satin in pastel shades of blue, pink yellow and green.

Mrs. Latham, mother of the bride, chose an aqua crepe dress with white accessories and a corsage of pink carnations and Mrs. Hooks, mother of the bridegroom, a coral crepe dress with white accessories and a corsage of white carnations.

Jean Friend, flower girl, who was dressed in blue slipper satin, strewed rose petals from a white basket along the aisle of the church as the bridal couple approached the altar. Hunter and Homer Latham, twin brothers of the bride, lighted the candles. John Howard Hooks, cousin of the bridegroom, was ring bearer.

Raymond Christian of Pahokee was Mr. Hooks' best man. Gene Pickren, Edwin Rcie and Hilburn Murphy acted as ushers.

Following the ceremony the bride changed to a yellow crepe dress with white accessories and a white orchid corsage for the wedding trip following which Mr. and Mrs. Hooks will make their home in Pahokee where he is associated with the Christian Chevrolet Company.

Jensen - McCoy

Miss Betty Jane Jensen, daughter of Mr. and Mrs. Axel Jensen of Pahokee, and William McCoy, son of Mr. and Mrs. W. G. McCoy, also of Pahokee, were married in Thomasville, Ga., on Thursday, June 24. Mr. and Mrs. Alec Johnson of Pahokee, who accompanied the bridal couple to Georgia, were attendants.

The bride was a member of the Pahokee High School graduating class of 1948. Mr. McCoy attended high school in Mississippi and served in the Army for three years during the war.

Mr. and Mrs. McCoy will make their home in Pahokee where he is engaged in the trucking business and she is employed at the local postoffice.

Moberg Announces Church Program

This Sunday morning at the eleven o'clock service, the Lord's Supper will be observed at the First Baptist Church of Pahokee. The adult choir will augment the pastor, Rev. C. A. Moberg with congregational song service. The inauguration program in connection with future observances that of "comments on a chapter in the Bible."

At the night service beginning at eight o'clock, the pastor will continue the exposition of the eleventh chapter of Romans. This chapter is one of the best in connection with the subject "Israel the New State."

What is meant by the Olive Tree? Fig Tree? Good and Wild Olive Trees? Fullness of the Gentiles? All Israel shall be saved? God's Covenant with Abraham? These and other questions will be considered. It is suggested that all planning to attend read the eleventh chapter of Romans. Also, bring Bibles, note books and pencils. The choir will be composed of young people with Miss Margaret Powell, pianist.

All Baptist youth and friends are cordially invited to remain following the Sunday night preaching service for the regular get-together program of fellowship. Rev. and Mrs. Moberg will be the hosts.

With the addition of R. W. Singletary, the Class Quartet of the Pahokee Men's Bible Class will be complete, assuring the class of a program each Sunday morning. The interesting series of lessons concerning some of the unsung heroes and heroines of the Bible is being taught by the teacher, Rev. C. A. Moberg.

This Sunday, the craftsman Bezaleel, as spoken of in Exodus 31 will be the subject. A most cordial invitation is extended to all affiliated men and visitors. The group meets Sunday mornings in Fellowship Hall on Bacom Point Road at 9:45. R. Cowart is the song leader.

State-Wide Blood Banks Are Proposed

MOUNT DORA—Six new blood banks patterned after the one inaugurated by the Mount Dora Lions Club have been organized at St. Cloud, Sebring, Bartow, Eustis, Fort Pierce and Cocoa, local Lions Club officials have been informed.

The plan started here has received the commendation of David R. Murphy, Jr., president of the Florida Blood Bank Association and in a letter to Mrs. Mary Gwynn, secretary of the Central Florida Blood Bank, he urged that all civic clubs adopt similar means in forming their own blood-banks.

PRELUDE TO ACCIDENT-

Injury - - - - Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

You can be a safe driver if you will. It's up to you.
